## Training Connections Australia (TCA)

### The Company

TCA offers a unique workshop experience tailored to meet your needs. For the first time in Australia, TCA is offering training in Fetal Alcohol Spectrum Disorder.

Training is available on prevention; intervention; education, parent support, court systems or a comprehensive overview contained in the pre-requisite for all other modules - Module 1.

We ensure that all our trainers deliver only evidence and wisdom - based material which has been thoroughly researched and endorsed by experts in the specific areas delivered.

### \*All day seminars can include:

**Video** – 'A Child for Life' from the United Kingdom

**Activities and energisers**

**Case Studies**

**PowerPoint presentation**

**Workbooks** with detailed discussion and assessments

**Interactive exercises**

**CAPD test** to experience what it's like to only hear every second or third word

### The cost:

For one day's training which includes Module 1 and the target module specific for your needs is \$180.00 per person for 10 people including handouts and workbooks for both modules.

For fewer than 10 people the cost will be on a per day basis and will be \$1800.00.

For each participant over 10 will be at a cost of \$100 person.

### Facilitators

All facilitators are qualified and are expert in the delivery of FASD training.
