Facilitators

All facilitators are qualified and experienced in the delivery of FASD training.

Training Connections Australia (TCA) The Company

TCA offers a unique workshop experience tailored to meet your needs. For the first time in Australia, TCA is offering training in Fetal Alcohol Spectrum Disorder.

Training is available on prevention; intervention; education, parent support, court systems or a comprehensive overview contained in the pre-requisite for all other modules - Module 1.

We ensure that all our trainers deliver only evidence and wisdom -based material which has been thoroughly researched and endorsed by experts in the specific areas delivered.

The cost

One day's training which includes Module 1 and the target module specific for your needs is \$180.00 per person for 10 people including handouts and workbooks.

For fewer than 10 people the cost will be on a per day basis and will be \$1800.00. Each additional participant can attend at the reduced price of \$100 person.

This module has been developed in consultation with...
