The cost

For one day's training which includes Module 1 and the target module specific for your needs is \$180.00 per person for 10 people including handouts and workbooks for both modules.

For fewer than 10 people the cost will be on a per day basis and will be \$1800.00. For each participant over 10 will be at a cost of \$100 person.

'Frontline Workers' covers the following fields, allied health professionals, nurses, Centrelink staff, Job Capacity Assessors, health clinics and other health related employees.

Facilitators

All facilitators are qualified and are experienced in the delivery of FASD training

A portion of this module has been adapted with permission from 'Alcohol and Pregnancy and Fetal Alcohol Spectrum Disorder: a Resource for Health Professionals' from the Telethon Institute for Child Health Research

Training Connections Australia (TCA) The Company

TCA offers a unique workshop experience tailored to meet your needs. For the first time in Australia, TCA is offering training in Fetal Alcohol Spectrum Disorder.

Training is available on prevention; intervention; education, parent support, court systems or a comprehensive overview contained in the pre-requisite for all other modules - Module 1.

We ensure that all our trainers deliver only evidence and wisdom -based material which has been thoroughly researched and endorsed by experts in the specific areas delivered.

ENTERPRISE MANAGEMENT GROUP trading as TRAINING CONNECTIONS AUSTRALIA - The first Registered Training Organisation in Australia to deliver training on Fetal Alcohol Spectrum Disorder to the public!
