### Training Connections Australia (TCA) The Company

TCA offers a unique workshop experience tailored to meet your needs. For the first time in Australia, TCA is offering training in Fetal Alcohol Spectrum Disorder.

Training is available on prevention; intervention; education, parent support, court systems or a comprehensive overview contained in the pre-requisite for all other modules - Module 1.

We ensure that all our trainers deliver only evidence and wisdom-based material which has been thoroughly researched and endorsed by experts in the specific areas delivered

### The cost

For one day's training which includes Module 1 and the target module specific for your needs is \$180.00 per person for 10 people including handouts and workbooks for both modules.

For fewer than 10 people the cost will be \$1,800.00 on a per day basis.

Each additional participant can attend at the reduced price of \$100 person.
