FASD for Parents and Carers – Module 3

Fetal Alcohol Spectrum Disorder Training

Training Connections Australia (TCA) The Company

TCA offers a unique workshop experience tailored to meet your needs. For the first time in Australia, TCA is offering training in Fetal Alcohol Spectrum Disorder.

Training is available on prevention; intervention; education, parent support, court systems or a comprehensive overview contained in the pre-requisite for all other modules - Module 1.

We ensure that all our trainers deliver only evidence and wisdom-based material which has been thoroughly researched and endorsed by experts in the specific areas delivered.

ENTERPRISE MANAGEMENT GROUP trading as TRAINING CONNECTIONS AUSTRALIA - The first Registered Training Organisation in Australia to deliver training on Fetal Alcohol Spectrum Disorder to the public!
