The cost

One day's training which includes Module 1 and the target module specific for your needs is \$180.00 per person for 10 people including handouts and workbooks.

For fewer than 10 people the cost will be on a per day basis and will be \$1800.00.

Facilitators

All facilitators are qualified and experienced in the delivery of FASD training.

This module has been based on the book by Elizabeth Russell – Strategies for Employment Services Specialists: with a specific emphasis on FASD.

Elizabeth is the birth mother of two children with FASD and has been in the employment industry for almost 20 years

ITEC Employment – a national Job Network and now Job Service Australia organisation delivering services to rural and remote communities in Western Australia, Northern Territory and Queensland

Training Connections Australia (TCA) The Company

TCA offers a unique workshop experience tailored to meet your needs. For the first time in Australia, TCA is offering training in Fetal Alcohol Spectrum Disorder.

Training is available on prevention; intervention; education, parent support, court systems or a comprehensive overview contained in the pre-requisite for all other modules - Module 1.

We ensure that all our trainers deliver only evidence and wisdom -based material which has been thoroughly researched and endorsed by experts in the specific areas delivered.

ENTERPRISE MANAGEMENT GROUP trading as **TRAINING CONNECTIONS AUSTRALIA** - The first Registered Training Organisation in Australia to deliver training on Fetal Alcohol Spectrum Disorder to the public!
