# Alcohol and Pregnancy for Students and Young People - Module 7

## Fetal Alcohol Spectrum Disorder Training

### Training Connections Australia (TCA) The Company

TCA offers a unique workshop experience tailored to meet your needs. For the first time in Australia, TCA is offering training in Fetal Alcohol Spectrum Disorder.

Training is available on prevention; intervention; education, parent support, court systems or a comprehensive overview contained in the pre-requisite for all other modules - Module 1.

We ensure that all our trainers deliver only evidence and wisdom -based material which has been thoroughly researched and endorsed by experts in the specific areas delivered.

### Module Summary

- Alcohol in Society
- How do I Know if I have a Problem with Alcohol
- Alcohol Facts and Figures
- Evidence of Risk
- FASD Myths
- Primary and Secondary Disabilities

### The cost

One day's training which includes Module 1 and the target module specific for your needs is \$180.00 per person for 10 people including handouts and workbooks.

For fewer than 10 people the cost will be on a per day basis and will be \$1800.00.

Additional participants can attend at a cost of \$100.00 per person.

### The Presentation can Include

- All day seminars are the most effective and can include:**
- Video** – A Child for Life
- Activities and energisers
- Case Studies** - An assessment
- PowerPoint** presentations of facts and statistics
- Workbooks** with detailed discussion and assessments
- Interactive exercises**
- CAPD test** to experience Central Auditory Processing Disorder

### Facilitators

All facilitators are qualified and are experienced in the delivery of FASD training.
